SUSTAINABLE SOLUTIONS FOR MODERN AGRICULTURE

INSTALLATION
— SERVICES, CORP. —

PROTECT CROPS NATURALLY.

MESH GROWING STRUCTURES FOR HIGH-VALUE CROPS

Engineered insect-proof mesh structures create the ideal growing environment while reducing pests, chemicals and weather damage—naturally.

INSECT EXCLUSION

Ultra-fine mesh keeps out pests like aphids, whiteflies, thrips and fruit flies.

UV-PERMEABLE PROTECTION

Lets in natural light and beneficial UV while reducing heat stress.

SUPERIOR AIRFLOW

Promotes healthy growth, reduces humidity and helps prevent mold and mildew.

SUSTAINABLE & RECYCLABLE

Eco-friendly materials built to last and reduce environmental impact.

BUILT TO LAST

Corrosion-resistant frames and premium mesh engineered for long-term performance.

**HEALTHIER CROPS.
FEWER PESTS.
HIGHER YIELDS.**

IDEAL FOR A WIDE RANGE OF APPLICATIONS

BERRIES & FRUIT CROPS

Improves fruit quality and yield while reducing pest damage.

VEGETABLES & GREENS

Protect leafy greens, herbs and vegetables from insects.

NURSERIES & GREENHOUSES

Create optimal growing conditions for plants and seedlings.

FLOWERS & ORNAMENTALS

Maintain beautiful, marketable plants with minimal pesticides.

SPECIALTY & HIGH-VALUE CROPS

Ideal for cannabis, hemp and other sensitive crop operations.

TREE & ORCHARD PROTECTION

Young trees and orchards protected from pests and wildlife.

STRUCTURES THAT WORK WITH NATURE

INSECT-PROOF GROWING STRUCTURES

Year-round protection for consistent harvests.

VENTILATED SIDEWALLS

Maximum airflow for healthier crops.

END WALL & DOOR OPTIONS

Custom doors and walls for your needs.

RELOCATABLE & EXPANDABLE

Grow your operation as you grow.

WHY GROWERS CHOOSE MESH STRUCTURES

REDUCE PESTICIDE USE

Lower chemical costs and safer for workers, crops and the environment.

INCREASE YIELDS

Healthier plants lead to higher quality and better yields.

EXTEND GROWING SEASON

Protect from insects, birds and harsh weather events.

FAST INSTALLATION

Get growing sooner with quick, efficient installation.

ALL MANUFACTURERS SUPPORTED

We install, repair or re-cover any fabric building—any brand.

CROSS-BORDER EXPERTISE

Proudly serving growers across the U.S. & Canada.

**DEALER • INSTALLER • REPAIR SPECIALIST
FOR ALL FABRIC BUILDING MANUFACTURERS**

SUSTAINABLE SOLUTIONS

Better for your crops.
Better for our planet.
